HANGING SIGNS ***Hanging of Signs in McCormick Place*** ***Procedures and Rules***

PRINT 19 / OCTOBER 3 - 5, 2019

Hanging of signs, both electrical and non-electrical, is permitted in McCormick Place facilities with permission, under the following conditions and limitations. These conditions have been reviewed and provide absolute limits which cannot be exceeded under any conditions.

1. The top of the sign may not exceed the height limitation specific to your booth type. Please refer to the PRINT 19 Show Display rules for allowable heights.
2. **All hanging signs must be sent to the Freeman warehouse, 2500 West 35th Street, Chicago, IL 60632, and be received by Friday, September 20, 2019.**
3. The weight of signs or materials is not to exceed 250 lbs. per hanging point. Any sign weighing in excess of 500 lbs. will require a "**Structural Integrity**" form.
4. All signs, regardless of size, should be constructed of lightweight metals and plastics to allow greater flexibility and ease of installation.
5. The placement of all "hanging signs" shall be determined by Freeman prior to installation to insure minimum stress to the supporting framework.
6. No signs are to be hung from any electrical fixtures, raceways, any water, gas, air, fire protection piping, supports or hangers.
7. All electrical and neon signs must conform to electrical codes of the City of Chicago.
8. Freeman is responsible for all hanging signs. Freeman will pre-assemble all signs. No display house will be allowed to assemble any hanging sign. This pertains only to assembly. Dismantling can be done by a display house.
9. Set-up instructions must be included with the Order Form and with sign crates.
10. Because of the structure of the ceiling, and the location of exhibits, in relation to support beams, your sign may have to be moved from your original specifications.
11. Exhibitor personnel or your display house may supervise on your behalf. Exhibitors who do NOT provide supervision (either company personnel or display house) agree to accept the charges for time, materials and equipment as determined by Freeman and/or the Electrical Contractor.
12. YOU ARE REQUIRED TO MAKE ALL ARRANGEMENTS PRIOR TO MOVE-OUT FOR THE OUTBOUND DISMANTLING, PACKING AND SHIPPING OF YOUR HANGING SIGN. FREEMAN CANNOT BE HELD LIABLE FOR DAMAGES OR MISPLACEMENT OF SIGN(S) SHOULD OUTBOUND DISMANTLING ARRANGMENTS NOT BE MADE. ALL PERTINENT INFORMATION AND ARRANGEMENTS MUST BE GIVEN TO THE FREEMAN SERVICE CENTER IN EACH FACILITY.
